Our kitchens use a wide range of ingredients, and while we take care with every dish, traces of allergens (such as nuts, seafood, shellfish, gluten, sesame, wheat, eggs, fungi, and dairy) may be present. We can't guarantee any menu item is completely free from cross-contamination. If you have any food allergies or dietary requirements, please let our team know before ordering so we can provide information to help you make an informed choice. Customers' requests will be catered for to the best of our ability, but the decision to consume a meal is the responsibility of the diner.
