FUNCTIONS & EVENTS

We're able to tailor our rooms and event experiences to what you need, with cocktail, conferencing or seated menus. We have three function spaces available for you to choose from, where you can tailor each to suit your particular event needs. Contact our event team and start planning your event.

Our kitchens use a wide range of ingredients, and while we take care with every dish, traces of allergens (such as nuts, seafood, shellfish, gluten, sesame, wheat, eggs, fungi, and dairy) may be present. We can't guarantee any menu item is completely free from cross-contamination.

*If you have any food allergies or dietary requirements, please let our team know before ordering so we can provide information to help you make an informed choice.
